

LET'S COMPARE PENSIONS!

Ray is a 23 year UPS employee who upon retirement will be eligible for a pension of around **\$1,400.00** per month until death.

Russ is a 23 year FEDEX employee who upon retirement will only be eligible for a pension of around **\$350.00** per month for 20 years. (What happens if Russ lives longer than 20 years?)
